1. Facility Terms

1.1 Facility. The Lender makes available a fictional term facility of INR 30 crore solely for demonstration purposes.

1.2 Maturity. The synthetic maturity date is 30 June 2029.

1.3 Purpose. Proceeds may be used for approved platform investment and working capital, but not for acquisitions without written consent.

2. Financial Covenants

This page is intentionally restricted to Atlas Legal.

2.1 Leverage covenant. Total Net Debt to LTM EBITDA shall not exceed 3.00x, tested quarterly using the definitions in this Agreement.

2.2 Minimum liquidity. The Borrower shall maintain unrestricted cash of at least INR 10 crore at each month end.

2.3 Reporting. Compliance certificates shall be delivered within 30 days after each quarter end.

2.4 Equity cure. The Sponsor may apply eligible equity proceeds to cure a covenant breach no more than twice during the term.

Legal ground truth: leverage cap = 3.00x; minimum unrestricted cash = INR 10 crore; compliance certificate due within 30 days.

3. Events of Default and Acceleration

3.1 Payment default. Failure to pay principal when due, or interest within three Business Days after due date, constitutes an Event of Default.

3.2 Covenant default. A breach of Clause 2 that remains uncured after any expressly permitted cure constitutes an Event of Default.

3.3 Acceleration. Following an Event of Default, the Lender may declare outstanding amounts immediately due and payable.

4. Confidentiality and Demonstration Notice

4.1 Confidentiality. Facility terms and borrower information are restricted to authorized Legal personnel and approved Investment Committee members.

4.2 Synthetic status. This document is not an enforceable agreement and must not be used for lending, investment, compliance, or legal decisions.
